Revision of the scales of pay of Vety Compounders & Salutrics

C. F. 69]

Continuation Sheet. File No. / Current No. of Page.

Enclosure

40) In view of the Minister's minute on the anonymous petition received on 31.12.1943, the Director of Agriculture was requested to submit proposals for revision of the scales of pay of Salutries and Compounders. The proposals have now been received "Z"

(7)

41) In G.O. No D 5797 C.1155-35-10 dated 7-8th Feb 1938, the pay of the Compounders was revised to certain extent and it was directed that the question of revision of pay of salutries may lie over for the time being ~~the present~~ as suggested by the Director of Agriculture

42) At present there are 130 Salutries (Permanent) and 8 (Temporary) Salutries and 95 Compounders (Permanent) on grades ranging from Rs 20 to 35 and Rs 15 to 25 respectively as detailed below.

Existing

Salutries

Number	grade
10	on Rs 35/-
8 (Per) 6 (Temp)	25-2-35
4	Rs 30/-
3 + 2 Temp	on 25-1-30
1	Rs 20-1-30
14	Rs 25
2	Rs 20-1-25
89	on 20/-
130+8	Total

Compounders (Existing)

Number	Pay
1	Rs 25
4	Rs 20
1	15-1-20
4	18
8	17
12	16
65	Rs 15
Total 95	

43) From a perusal of this in the case of Salutries, nearly that is 89 persons on fixed pay of Rs 20/- from a long time and they are stagnating without a grade. 14 persons on fixed Rs 25/-, 4 on Rs 30/- and 10 persons on fixed Rs 35/- are stagnating on fixed pay. They require certain consideration for revision of their pay in view of their stagnation. The Director has proposed the following revision of scales of pay

Salutries

Number		
28	——	Rs 30-3/2-45
38	——	30-1-35
8	——	25-2-35
2	——	25-1-30
54	——	30/-

May perhaps be combined

44) He has proposed the grade Rs 30-3/2-45 for 28 salutries. It is submitted that it has been recently ordered that the grade of pay of the stockmen who are superior to Salutries be fixed on Rs 30-3/2-45 and as such it appears that the same grade cannot be fixed in the case of Salutries and as such it requires to be reconsidered.

A.

45) As regards Compounders, it is seen at present 65 people are stagnating on Rs 15/- 12 on Rs 16/- similar 8 on Rs 17/- and 4 on Rs 18/- are stagnating from 1938. The Director of Agriculture has proposed

the following revised scales for them.

Compounders (Grade proposed)

Number	Grade
1 —	Rs 25/-
27 —	20-1-25
67 —	on Rs 20/-

} This may perhaps be combined for 6/11

The revised scales of pay proposed for Compounders is for orders.

46) The proposal in statement has been vetted by the Comptroller. It is stated that the proposals involve an extra cost of Rs 1794 2/9 per mensem or Rs 21530 2/3 per annum. It is seen from these proposals that 8 temporary posts of salutrie's will be merged in the revised proposals.

47) The proposals of the Director of Agriculture are for orders. Financial Secy may be consulted. This has to be treated as a Council case.

10m 4.9.45 4/5 CM 575

48) The proposals for revision have been submitted by the Director of Agr on 3rd Jany 1944. No doubt the Supdt of Vet: Services, then his subordinate, has been consulted on the proposals by the Director. But then, it appears that Mr Manikaraj was the Supdt at the time. Now that the Deptt of Vet & A.H. has been separated from Agr Deptt and the Officer Mr P. M. N. Nadar appears to have no knowledge of the proposals on hand, it appears desirable to consult

here is this important Deptl matter. The file may be sent to here un-officially for recording his opinion.

OFFICE OF THE DIRECTOR OF VETERINARY SERVICES
D.R. 11 U.O.
6. OCT. 1945
BANGALORE.

No.Est.283/45-46.

RETURNED WITH COMPLIMENTS:

50) The revision of the grades of Salustries and Veterinary Compounders is a long felt want. The present grades were sanctioned nearly 2 decades ago, and the prospects of these ill paid lower subordinates have not been improved since then.

51) The present grades of Salustries and Compounders are too meagre to attract suitably qualified hands for these posts, with the result that many of the vacancies have remained unfilled, and some have had to be filled up temporarily by appointing locally available unqualified candidates. The efficiency of the institutions under such an arrangement has been far from satisfactory. Not only the basic pay offered for these posts is inadequate, but it does not ensure any future prospects, so much so, even the trained hands who have put in

p.t.o.

Revision of the grades of Salustries and Compounders

13

in some service in the Department have either resigned or threatening to resign with a view to take up more lucrative jobs elsewhere.

52) I am of opinion that unless the grades of this important lower subordinate staff is revised, it would be difficult to obtain suitable Salustries and -- Compounders to serve in this Department. I, therefore, concur with the proposal sent up by the Director of Agriculture in the matter of revision of their grades.

53) I strongly recommend that the Government may be pleased to consider very sympathetically the long pending question of revising scales of pay of these ill paid lower subordinates and to approve of the grades now proposed.

P.M. Narainswamy Naidu 26/x.

Bangalore,)
Dated 26th Oct., 1945.)

SUPERINTENDENT,
Mys.Vety.& A.H. Services.

P.M.N.N/A.J.

54) The 2nd C note of the Supdt of Vety & A.H. Services is for personal and orders.

55) The Supdt concurs with the proposals of the Director of Agriculture in the matter of revision of the grades of Salustries & Compounders

Sanc 29.10.45 56) The Financial Sectt may be consulted

CPM 1/11

3/11 4/11 57) The Supdt. of A.H. has concurred with the proposals of the Dr. of Agr. The result of the revision is according to the Comptroller 1794 2/9 rupees or 21 S 30 2/3 per annum.

58) Regarding Salustries, grade

Serial No.

28 (30-3/2-45), 38 (30-1-35), 8 (25-2-35) 2 (25-1-30) and 54 (30) are proposed. Perhaps Nos. 3 and 4 may be combined to 10 (25-2-35) as the ex/ra cost will not be much.

59) Re Compounders, three scales are proposed 1 (25), 27 (20-1-25) and 67 (20). No. 1 and 2 may perhaps be combined to 28 (20-1-25) and the special proposed to be given Rs 25/- fixed and Rs 25/- in this scale.

60) The finance Sect may be consulted on the revision proposed.

(Gl. Secy)

NOTE:- Contn. Sheet.

Revision of the grades of Sahustris and Compounders 5167 V 944

AH File No. of 1946. General and Revenue Secretariat

Serial No.

72) The Supd AH Services has been requested to submit suitable proposals accordingly. (vide this office letter no A 730 34 of 18.12.45) "M"

73) The Supd has forwarded the position statement in this connection through the Comptroller to govt. It is stated that the proposals involve an extra cost of Rs 1673 8/9 per mensem or Rs 20086 8/3 p.a under permanent establishment against a reduction of Rs 380/- p.m or Rs 4560/- p.a under temporary establishment.

74) For orders. The sanct may be accorded.

75) Reference to paras 61-63 of the notes.

Sm 31.8.46

76) There are in all 146 sahustris & 99 Veterinary compounders, of these many have been stagnating on the same pay for a number of years. The Supd has taken this & also the light of service of these men into account & has proposed the following allocation of the staff in the new grades suggested in our letter of 18.12.45:

40 sahustris	on Rs 30-2-40	—	30
50 "	" 25-1-30	—	40
56 "	" 20-1-25	—	76
40 compounders	" 20-1-25	20	
59 "	" 15-1-20	39	

77) The proposals involve an extra cost of about Rs. 1300 p.m. (after taking into account the monetary value of the benefits) The position statement has been verified by the Comptroller. The H. Govt may be accordingly.

FINANCIAL SEC. O.O. No. 1845 6/9 BANGALORE

1784 3/9

78) The proposals are well considered and appear to be necessary as the revision is long overdue. They may be sanctioned.

Minutes agree
Sd/- [illegible]

79) The Superintendent proposes 40 Salustries on 30-2-40, 50 Salustries on 25-1-30 and 56 Salustries 20-1-25 in the III Grade. Actually however, only 14 Salustries are in the grade 30/- and 35/- and 16 Salustries in the grade 25-2-35 - Vide Proposition Stt.- It would therefore be enough if, in the first grade, there are 30 Salustries i.e., 30-2-40, 40 in the second grade i.e., 25-1-30 and 76 in the III grade i.e., 20-1-25. This will also provide for a uniform flow of promotions.

Regarding compounders, at present there is only one compounder on Rs. 25/- and one in the grade 15-1-20. It is therefore enough if 20 are put in to the first grade viz., 20-1-25 and 79 in the second grade viz., 15-1-20.

OFFICE OF ... FOR PUBLIC WORKS
13 ... 1946

80) The proposals of the Supt may be accepted. He has sent up his proposals after taking into consideration the number of people that have been stagnating on the machinery in each of the existing grades. His proposals, if accepted will give relief to all of them.

16-9-46

Final Note by the Minister for Agriculture & Public Works.

Subject.— Revision of the grades of the Salustries and Compounders of the Veterinary Department.

Note Paras 5 & 8 only

The present grades of the Salustries and Compounders of the Veterinary Department were sanctioned nearly two decades ago and the prospects of these lower subordinates have not been improved since then. The question of improving their scales of pay has therefore been engaging the attention of Government for some time past.

In October 1945, the Superintendent, Veterinary and Animal Husbandry Services submitted certain proposals in this connection. These proposals were examined by Government and it was decided that the grades of the Salustries and Compounders be revised as follows:-

> The number in each grade being fixed after taking into consideration the number of men stagnating on the same pay deserving of promotion to the higher grade.
>
> Salustries:- Rs. 30-2-40, Rs. 25-1-30, Rs. 20-1-25.
>
> Compounders:- Rs. 20-1-25, Rs. 15-1-20.

The Superintendent was requested to submit proposals in conformity with this decision along with a proposition statement duly verified by the Comptroller.

Para 6 only.

The Superintendent, Veterinary and Animal Husbandry Services, after examining in detail the cases of the Salustries and Compounders whose grades have to be revised, has submitted necessary proposals for the sanction of Government, along with a proposition statement verified by the Comptroller. According to this proposition statement, the present strength of 146 Salustries and 99 Compounders is to be allocated as follows:-

Salustries:-

40	Rs. 30-2-40
50	Rs. 25-1-30
56	Rs. 20-1-25.

Compounders:-

40	Rs. 20-1-25
59	Rs. 15-1-20

Para 83 of notes & B

The above proposals involve an extra cost of Rs. 20,086⅔ per annum under permanent establishment against a reduction of Rs. 4,560/- per annum under temporary establishment.

Para 80 of notes

When the file came up to me, I recorded the following minute:

"The proposals of the Superintendent may be accepted. He has sent up his proposals after taking into consideration the number of people that have been stagnating on the maximum pay in each of the existing grades. His proposals, if accepted, will give relief to all of them."

Para 85 of notes

The Dewan has however suggested that the two grades of Compounders, so far as numbers are concerned, may be fixed in the ratio of 1 : 2, namely, 33 in the first grade and 66 in the second grade.

It is accordingly proposed to sanction the proposals of the Superintendent, Veterinary and Animal Husbandry Services with the above modification as regards Compounders.

Para 86 of notes

The proposal has the concurrence of the other Ministers and is submitted for the gracious sanction of His Highness.

L. Sidlappa

Minister for Agriculture
and Public Works.

Camp - Mysore,
15th October 1946.

Submitted to His Highness

I submit herewith a Final Note by the Minister for Agriculture and Public Works on the proposal for the revision of the grades of the Salustries and Compounders of the Veterinary Department, for the gracious sanction of His Highness.

ಮೈಸೂರು ಸಂಸ್ಥಾನದ ಆರೋಗ್ಯ ಇಲಾಖಾ ಸಚಿವರವರ ದಿವ್ಯಸನ್ನಿಧಿಯಲ್ಲಿ

ಪಟ್ಟವೈದ್ಯ, ಲಿಕಿಟ್ಟೇರ್ಯ ಬಡಸಾಲಸ್ತ್ರಿಯು ಬರೆದುಕೊಂಡ ಅರ್ಜಿ

ಮನೆಂದರೆ, ಸ್ವಾಮಿ,

ನಾನು ಈ ಇಲಾಖೆಯಲ್ಲಿ ಈಗ ಹದಿನೆಂಟು ವರ್ಷಗಳಿಗಾಗಿ ಸಾಲಸ್ತ್ರಿ ಕೆಲಸ ಮಾಡುತ್ತಾ ಇದ್ದೇನೆ. ಆದರೂ ನನಗೆ ಕೊಡುತ್ತಿರುವ ಸಂಬಳ ಕೇವಲ ಇಪ್ಪತ್ತು ರೂಪಾಯಿಗಳು. ಈಚೆಕಡೆಯಾಗಿ 10-15 ವರ್ಷಗಳಿಂದ ಕೆಲಸ ಮಾಡುತ್ತಾ ಇಪ್ಪತ್ತು ರೂಪಾಯಿ ಸಂಬಳ ಪಡೆಯುತ್ತಿರುವ ಬಡಸಾಲಸ್ತ್ರಿಗಳು ಎಷ್ಟು ಜನರಿದ್ದಾರೆಯೋ ತಿಳಿಯದು.

ಆಸ್ಪತ್ರೆಗಳಲ್ಲಿ ಆಶ್ರಿತರಿಗೆ ಬರವಣಿಗೆ ಮೊದಲಾಗಿ ಜಾನುವಾರು ಚಿಕಿತ್ಸೆಯ ಕೆಲಸಗಳೆಲ್ಲಾ ಮುಖ್ಯವಾಗಿ ನಡೆಯಬೇಕಾದರೆ, ಸಾಲಸ್ತ್ರಿಗಳೇ ಕಾರಣರು ಎಂದು ಹೇಳಬೇಕಾಗಿರುವುದು. ಚಿಕಿತ್ಸಕರು ಇನ್‌ಸ್ಪೆಕ್ಟರುಗಳು ಎಷ್ಟು ಪ್ರಯಾಣದ ಕೆಲಸ ಹೋದಾಗಲೂ, ಸಕ್ರೀಯ ಮುಂತಾದುವುಗಳಿಗೆ ಹೋದಾಗಲೂ ಆಸ್ಪತ್ರೆಯ ಪ್ರತಿಯೊಂದು ಕೆಲಸಕಾರ್ಯಗಳು ಸಾಲಸ್ತ್ರಿಯನ್ನೇ ಅವಲಂಬಿಸಿರುತ್ತವೆ.

ಇಂತಹ ಬಡಸಾಲಸ್ತ್ರಿಗಳಿಗೆ ಈಗ ಕೊಡುತ್ತಿರುವ ಸಂಬಳವು ಅವರ ಹೊಟ್ಟೆ ಬಟ್ಟೆಗಳಿಗೆ ಸಾಲದು. ಕೈತೆರೆದೇ ವೆಚ್ಚ ಸರಿಯಾಗಿ ಸಾಲಸ್ತ್ರಿಗಳಿಂದ ಸಲ್ಲಬೇಕಾದರೆ ಅವರ ಹೊಟ್ಟೆ ಬಟ್ಟೆಗಳಿಗೆ ಸಾಕಾಗುವಂತೆಯಾದರೂ ಸಂಬಳ ಕೊಡಬೇಕು ಇದನ್ನು ತಮ್ಮ ದಯಮನಸ್ಸಿನಲ್ಲಿ ಯೋಚಿಸಿ ಬೇಕಲ್ಲದೆ ನಾನು ಬರೆದು ತಿಳಿಸಿದಂತೆ.

ಇನ್ನು ಮುಂದಕ್ಕೆ ಪ್ರಯಾಣದ ಭತ್ಯದವನ್ನು ಕೆಳಗೆ ಕೊಡುತ್ತಿರುವ ಸಂಬಳದಲ್ಲಿ ಅವರಿಗೆ ಮೈಲಿಗೆ ಇಷ್ಟರಂತೆ ಭತ್ಯೆ ಕೊಡುತ್ತಾರೆ. ಕಾಂಪೌಂಡರುಗಳು ಒಂದು ಮೈಲಿ ಮೇಲ್ಪಟ್ಟು ಹೋದರೆ ಬಹಳ ಕಾಲು ಮುಕ್ಕಾಲು ದಿನ ಭತ್ಯೆಗಳನ್ನು ಕೊಡುತ್ತಾರೆ. ಆದರೆ ಈ ಬಡಸಾಲಸ್ತ್ರಿಗಳಿಗೆ ಯಾವ ವಿಧವಾದ ಇಲ್ಲ. ಕೆಲಸವನ್ನೆಲ್ಲಾ ಮಾಡಿಕೊಂಡು ಹೋಗುವ ಈ ಬಡನೌಕರರುಗಳಿಗೆ ಸಂಬಳವೂ ಕಡಿಮೆಯಾಗಿ, ಹೀಗೆ ಅನುಕೂಲಗಳೂ ಇಲ್ಲದಿರುವುದು ಅವರದೌರ್ಭಾಗ್ಯವೇ ಸರಿ.

ವೈದ್ಯಕೀಯ ಇಲಾಖೆ ಫೀಲ್ಡ್‌ಮನ್, L.F ಆಸ್ಪತ್ರೆಗಳ ಕಾಂಪೌಂಡರುಗಳು, ವ್ಯಾಕ್ಸಿನೇಟರುಗಳು ಇವರೆಲ್ಲಾ ಸಮಶ್ರೇಣಿನವರಾದರೂ ಅವರ ಮೇಲ್ಪಟ್ಟಿರುವ ಶ್ರೇಣಿನ ಅನುಕೂಲಗಳೆಲ್ಲಾ ಉಳ್ಳವರು. ಆದರೆ ಸಮಶ್ರೇಣಿನಲ್ಲಿದ್ದರೂ ಸಾಲಸ್ತ್ರಿಗಳನ್ನು 35 ತಿಂಗಳು ಬಿಟ್ಟ ಮೇಲೆ ವಿರಾಂ ಇಷ್ಟು ಬಟ್ಟೆಗೆ ಕೆಳಗೆ ಕೊಡುತ್ತಾರಲು ಅವರಿಗೆ ಅದೇ ಸಂಬಳವನ್ನು ಕೊಡುತ್ತಿದ್ದಾರಲ್ಲದೆ, ಸಮಗ್ರೇಡನ್ನು ಕೊಟ್ಟಿಲ್ಲ. ಇದೆಲ್ಲಾ ನೋಡಿದರೆ ನಮ್ಮ ಉದ್ಯೋಗ ಹೀನಾಯವೆಂದು ತಿಳಿದುಕೊಳ್ಳಬೇಕಾಗಿದೆ.

ಸ್ವಾಮಿಯವರು ಇಲಾಖೆಯಲ್ಲಿ ಎಷ್ಟು ಜನ ಸಾಲಸ್ತ್ರಿಗಳಿದ್ದಾರೆ, ಎಷ್ಟು ವರ್ಷಗಳಿಂದ ಆಗಿದೆ, ಅವರಿಗೆ ಕೊಟ್ಟಿರುವ ಶ್ರೇಣಿಗಳಾವುವು, ಕೊಟ್ಟಿದ್ದಲ್ಲಿ ಆ ಶ್ರೇಣಿಗಳು ದೊರೆಯುವುದಾದರೂ ಯಾವಾಗ ಎಂಬುದನ್ನು ಇಲಾಖೆಯವರಿಂದ ತಿಳಿದುಕೊಳ್ಳಬಹುದು.

ಮೇಲ್ಕಂಡ ವಿಷಯಗಳನ್ನೆಲ್ಲಾ ಸ್ವಾಮಿಯವರು ಕೂಲಂಕುಷವಾಗಿ ಯೋಚಿಸಿ, ಈ ಬಡಸಾಲಸ್ತ್ರಿಗಳಿಗೆ ತಮ್ಮ ಕೃಪೆಯಿಂದಿದರಾಲದಲ್ಲಿ ಹೊಟ್ಟೆ ಬಟ್ಟೆಗಳಿಗೆ ಅನುಕೂಲವಾಗುವಂತೆ ಅನುಕೂಲವಾದ ವಿಹಾರಿಕೆನ್ನು ಮಾಡಿ ಕೀರ್ತಿ ಶಾಲಿಗಳಾಗುವಿರೆಂದು ಹಾರೈಸುತ್ತೇನೆ — ಸ್ವಾಮಿ.

ಈಗಿಂದೆ ನಮ್ಮ ಇಲಾಖೆಯಲ್ಲಿ ಇದೇ ವಿಷಯವಾಗಿ ನಡೆದ ವಿಚಾರವನ್ನೆಲ್ಲಾ ಕೊಂಡ ಒಂದು ರಾಗದವನ್ನು ಅಗತ್ಯಪಡಿಸುತ್ತೇನೆ.

ತಮ್ಮ ಸ್ವಂತವಿಚಾರಣೆಗೆ ಬರೆದಿರುವ ಬಡವನಾದ ಅವಿಚಾರವನ್ನು ಕ್ಷಮಿಸಿ ಉದ್ಧರಿಸಬೇಕಾಗಿ ಅತಿ ವಿನಯದಿಂದ ಪ್ರಾರ್ಥಿಸಿಕೊಳ್ಳುವ.

ತಮ್ಮ ಆಜ್ಞಾಂಕಿತ ವಿಧೇಯ ಸೇವಕ

ಓ ಕೃಷ್ಣಸಾಲಸ್ತ್ರಿ

Sir,

I am directed to forward herewith, a copy of a petition received on the above subject and to state that Government have noted that the officials referred to seem to deserve better attention. I am, ~~therefore~~, to request you to be so good as to forward a statement showing the following particulars:*

1) Number of Salustries & Compounders
2) Their pay, qualification and prospects
3) Present position of those officials
4) The general qualification required and 5) the period of their training etc.

Telegraphic Address "Agri., Bangalore."

DEPARTMENT OF AGRICULTURE,

MYSORE STATE.

No. F1.12-419/43-44

OFFICE OF THE DIRECTOR OF AGRICULTURE,

Bangalore, 21st Feb. 1944

FROM M.J. Narasimhan, Esq., B.A.,
~~T.G. RAMA IYER, Esq.,~~
DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To R.P. Mallappa, Esq., B.A.,LL.B.,
General Secretary to Government
of His Highness the Maharaja
of Mysore, Bangalore.

GENERAL SECRETARY
24 FEB. 1944

SIR,

With reference to your letter No.A.F.3377/A.H.93-43-2 dated 17th January 1944 calling for proposals for revision of scales of pay of compounders and salustries, I have the honour to state that detailed proposals have already been submitted in this regard in this office letter No.F1.12-419/43-44 dated 3rd January 1944 (sent through the Comptroller) a copy of which is herein enclosed for kind ready reference, and to request that Government may be pleased to sanction the same at an early date.

2, In this connection I may state that candidates who have passed at least the Middle School Examintion or completed the V Form course are selected for compounders classes and given training for a period of four months. These trained candidates after inclusion of their names in the approved lists of compounders, are appointed on a pay of only Rs.15/- p.m., the pay which is almost the same as that given to inferior and illiterate servants. Besides, they have to stagnate on that meagre fixed pay for several years for want of sufficient number of posts on higher pay in that cadre. The salustries' posts are filled by promoting the compounders as per their seniority. But, out of 200 posts of compounders and salustries in the Department, there are only about 20 posts carrying a pay above Rs.20/- p.m., the posts of salustries on Rs.35/- p.m. in the Serum Institute being required to be filled up by Veterinary graduates, and as such most of the salustries have to retire on a pay of only Rs.20/- p.m. after putting in a service of about 30 years, and this is indeed very deplorable. It is needless to state that such low pay and undue stagnation would naturally damp their enthusiasm and cause much discontentment, resulting in deterioration of efficiency, and would also have a demoralising effect in service.

3. Besides, the salustries are often placed in charge of the Veterinary Dispensaries during the absence of the Inspectors on short leave or on tours,etc., and as such they are required to shoulder very heavy work and responsibility in attending to the technical work. It is therefore absolutely necessary to raise the pay and status of these officials, consistent with their work and responsibility.

4. It may also be stated in this connection that on account of the low and unattractive scales of pay, sufficient number of candidates are not forthcoming to accept the posts of compounders, and in fact some of those who were already in service have also

P.T.O.

resigned their appointments, and as a result, several posts are remaining vacant and consequently the departmental work is being seriously handicapped.

5. In these circumstances I strongly feel that it is imperative that the pay and prospects of these lower subordinates should be immediately revised in order to remove the present discontentment among the existing staff and also to make the posts sufficiently attractive for the new candidates to accept the appointment and this, I am sure, will go a long way to improve the efficiency and also to create a better morale.

6. I therefore request you to be so good as to obtain very early approval of Government for revising the scales of pay as proposed in the [redacted] proposition statement.

I have the honour to be,
Sir,
Your most obedient servant,

Iyiravasinhan

HSV

Director of Agriculture.

Letter No.Fl.12-419/43-44 dated 3rd January 1944 from the Director of Agriculture, to the General Secretary to Government of H.H. the Maharaja of Mysore, Bangalore.

In enclosing a copy of letter No.Est.134 of 1943-44 dated 12th October 1943, from the Superintendent of Veterinary Services in Mysore, Bangalore, urging for (1) the revision of the pay of compounders and salustries of the Veterinary Section, and (2) relaxation of the rules of recruitment in appointing these men, I have the honour to state that Government in their Order No.D.5797-98 C.V.55-35-10 dated 7/8th February 1938 were pleased to revise the pay of the Veterinary Compounders at an extra cost of Rs.40/- per mensem or Rs.480/- per annum and to direct that the revision of the pay of the salustries may lie over. The pay of salustries was fixed more than a decade ago and it may be seen from the enclosed statement that more than eighty of them are on a fixed pay of Rs.20/- per mensem. As the number of posts on higher pay is very small, many of them have no chance of promotion at all. In the case of compounders also, the preponderant number is on fixed pay of Rs.15/-,Rs.16/-,Rs.17/- and Rs.18/-. As a large number of men in both classes have been stagnating on their low pay for many years, there is urgent need for the revision of their scales of pay. The hard lot of these low paid employees have been repeatedly brought to the kind notice of the Government in several sessions of the Representative Assembly. With a view to attract properly trained men for these posts and in the interests of efficiency, it is necessary that the initial pay and the status of the lower subordinates of the Veterinary Section should be raised either to the level of the compounders of the Medical Department or the Fieldmen of the Demonstration Section of this Department. I recommend that Government may be pleased to consider very sympathetically the long pending question of revising scales of pay of these ill paid lower subordinates and to approve of the grades proposed by the Superintendent of Veterinary Services involving an extra cost of Rs.1,789-2/9 per mensem or Rs.21,470-2/3 per annum as shown in the accompanying proposition statement. Government may also be pleased to sanction an additional grant of Rs.8,946-1/9 for giving effect to this revision from 1st January 1944 as the sanctioned grants of the current year either of the Veterinary Section or of this Department are not enough to meet the expenditure. I further request that provision may kindly be ordered to be made for this additional expenditure in the budget estimates of 1944-45.

A separate reference will be made to Government on the question of modifying the rules of recruitment in the case of compounders and salustries for the reasons mentioned in the Superintendent's letter.

Re. revision of the grade pay of Salustries and Compounders of the Veterinary Department

---

Sir,

With reference to your D.O.letter No.A.F.751/A.H. dated 3-8-44 regarding the above, I have the honor to state that the Proposition Statement under reference was returned to the Director of Agriculture in Mysore, Bangalore, in this office No.11/B.I dated 12-7-44 for retransmission after noting details showing the names of offices with the present scale of Salustries and Compounders since the lump number noted in the Proposition Statement could not be easily verified. He has also been reminded in the matter and the verified statement will be returned to

Government

DEPARTMENT OF AGRICULTURE
MYSORE STATE

No. Fl. 12-419/43-44

Bangalore,
Dated 3rd January 1944

To

R. P. Mallappa, Esq., B.A., LL.B.,
General Secretary to Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

In enclosing a copy of letter No. Est. 134 of 1943-44 dated 12th October 1943, from the Superintendent of Veterinary Services in Mysore, Bangalore, urging for (1) the revision of the pay of the Compounders and Salustries of the Veterinary Section, and (2) relaxation of the rules of recruitment in appointing these men, I have the honour to state that Government in their order No. D.5797-98 C.V.55-35-10 dated 7/8th February 1938 were pleased to revise the pay of the Veterinary Compounders at an extra cost of Rs. 40/- per mensem or Rs. 480/- per annum and to direct that the revision of the pay of the salustries may lie over. The pay of Salustries was fixed more than a decade ~~xxxx~~ ago and it may be seen from the enclosed statement that more than eighty of them are on a fixed pay of Rs. 20/- per mensem. As the number of posts on higher pay is very small, many of them have no chance of promotion at all. In the case of compounders also, the preponderant number is on fixed pay of Rs.15/-, Rs.16/-, Rs.17/- and Rs. 18/-. As a large number of men in both classes have been stagnating on their low pay for many years, there is urgent need for the revision of their scales of pay. The hard lot of these low paid employees have been repeatedly brought to the kind notice of the Government in several sessions of the Representative Assembly. With a view to attract properly trained men for these posts and in the interests of efficiency it is necessary that the initial pay and the status of the lower subordinates of the Veterinary Section should be raised either to the level of the Compounders of the Medical Department or the Fieldmen of the Demonstration Section of this Department. I recommend that Government may be pleased to consider very sympathetically the long pending question of revising scales of pay of these ill paid lower subordinates and to approve of the grades proposed by the Superintendent of Veterinary Services involving an extra cost of Rs.1,789-2/9 per mensem or Rs.21,470 2/3 per annum as shown in the accompanying Proposition Statement. Government may also be pleased to sanction an additional grant of Rs. 8,946 1/3 for giving effect to this revision from 1st January 1944 as the sanctioned grants of the current year either of the Veterinary Section or of this Department are not enough to meet the expenditure. I further request that provision may kindly be ordered to be made for this additional expenditure in the budget estimates of 1944-45.

A separate reference will be made to Government on the question of modifying the rules of recruitment in the case of Compounders and Salustries for the reasons mentioned in the Superintendent's letter.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

Letter No. Est. 134/4344 dated 12th October 1943 from the Superintendent of Veterinary Services in Mysore, Bangalore, to the Director of Agriculture in Mysore, Bangalore.

Subject:- Increase of pay to Compounders and Salustries in the Vety. Department.

I have the honour to submit that the existing scales of pay of Compounders and Salustries in the Veterinary Section apart from such posts sanctioned for the Live Stock Section, this office and the Liver Fluke Scheme are very meagre and it is not at all possible for these Compounders and Salustries to maintain themselves with their present poor pay. Besides, the work expected of them is of a very responsible nature and unless their pay and status are raised, their lot will be still more miserable especially during these hard days. The pay of even Police Constables and other menials in several departments at present is much better than that of these ill paid subordinates of this Section. On account of the pay of these posts not being attractive, the places when once they become vacant will not be possible to be filled in for a good long time purely for want of hands as these places require technically qualified people unlike other posts elsewhere.

Only qualified men will be required for the posts of Compounders and Salustries and for this reason, there will be a regular training School annually for coaching up young men with qualifications of a pass in the Middle School Examination or having studied up to Vth Form in a recognised High School. These candidates are trained for 4 months and then they are absorbed according to classification of the vacancies as General or Special whenever they occur. Most of the backward community candidates who were trained in the last batch did not either accept the appointment or continue to serve as Compounders as they had better prospects elsewhere. Unless the pay of these posts is revised and brought in level which similar appointments in the other sister departments, full results of the useful work expected of the Veterinary Department in general will not be realised as most of the manual work in this technical line will have to be done by these trained men in the course of treatment and inoculation of animals by the Veterinary Inspectors. It may not be out of place to mention here that human Compounders do only compounding work in the Dispensaries whereas the Veterinary Compounders and Salustries not only do compounding work but also tour, dress cases and perform castrations on tour and in the Veterinary Institutions.

Further, I would also request that sanction of Government may also be obtained for entertaining any qualified candidate from the approved list of Compounders whenever a candidate of a particular classification cannot be had as the application of rigid rule of entertaining a nontechnically qualified candidate against the posts for purposes of only satisfying classification when there are actually qualified candidates in the other group will serve no purpose and may even prove hinderance to the work of the Department.

In view of the above and in the best interest of service, and timely useful work to dumb animality in the State, this strict application of rules for purposes of appointments of Salustries and Compounders seriously required to be relaxed at least whenever it could not be helped.

The revised pay of Compounders and Salustries as proposed in the annexed Statement as a measure of improving the efficiency of the Department by retaining good working hands by making the posts a bit attractive will involve in an extra cost of Rs. 21,470/- per annum which may kindly be arranged to be provided for in the budget grants of this section for the current year. I would

like to urge that unless this revision is given effect to, it will not be possible to improve the efficiency of the Department for reasons already detailed above.

As the scales of pay of these Compounders and Salustries have not been taken up for revision at any time before and as the Department is developing its activities on a very large scale winning the confidence of public with regard to -- professional work serving the humanitarian cause, I request that my present proposals may kindly be met with the sympathetic consideration of the Director in recommending the same to Government for sanction in the best interests of the department and public.

ANNEXURE

Existing.	Average cost per annum	Proposed.	Average cost per annum.

(As per proposition statement enclosed)

Est.283/45-46.

27 APR 1946

THE CONTROLLER TO GOVERNMENT
of H.H. the Maharaja of Mysore,
Bangalore.

Revision of the Pay of Salustries and Compounders.

With reference to your letter No.376/Bi, dated 29-3-1946 requesting me to send a statement detailing the number of Salustries and Compounders sanctioned in Government Order, working upto the total of 146 and 99 respectively, I have the honour to forward herewith a statement furnishing details of salustries and Compounders as required by you.

As regards sending copies of Government Orders referred to I invite reference to para 2 of this office letter of even number dated 19th March 1946.

As the revision of the Scales of Salustries and Compounders are long over-due and is pending since 2 years, I request you to kindly see that the proposition Statement is transmitted to Government Very early.

I have the honour to be
Sir,
Your most obedient servant,

Sd/-.P.M.Narainswamy Naidu,
SUPERINTENDENT.

BPR.

Copy with compliments to the Secretary to Government, General Department, Bangalore.

P.M. Narainswamy Naidu

SUPERINTENDENT.

944
A.F

I enclose herewith a Proposition Statement indicating the number of appointments to be sanctioned in each grade. The extra cost involved on the above proposals will be Rs.15,532/- per annum.

I request you to be so good as to obtain early sanction of Government on the above proposals.

I have the honour to be,
Sir,
Your most obedient servant,

P.M. Narainaswamy Naidu
SUPERINTENDENT.

A/J.

Memo

No 320/Boots dated 27th August 1946.

Forwarded with Compliments to the Secretary to Government General Department, Bangalore with the proposition Statement in Duplicate duly verified. The proposals as set forth in the proposition Statement involve an extra cost of Rs 1673 8/9 per mensem or Rs 20086 2/3 per annum under permanent establishment against a reduction of Rs 380 per mensem or Rs 4560 per annum under temporary establishment.

From

DR. P. M. NARAINSWAMY NAIDU, B.Sc., L.V.P., Sc.D. (Cantab.), F.R.C.V.S.
Superintendent, Veterinary & Animal Husbandry Services in Mysore, Bangalore.

To THE SECRETARY TO THE GOVERNMENT
of His Highness the Maharaja of Mysore,
General Department, Bangalore.

THRO' The Comptroller to the Government of Mysore, Bangalore.

Sir,

N. 9105
Nm "M"

Subject :—

Referring to your letter No.A.F.3034/A.H. dated 18-12-45 conveying the decision of Government in respect of classification of the grades of Veterinary Salustries under 3 grades of 30-2-40, 25-1-30 and 20-1-25 and those of Veterinary Compounders under two grades of 20-1-25 and 15-1-20 respectively, and directing me to submit proposals fixing the number in each grade with a Proposition Statement duly verified by the Comptroller to the Government of Mysore, I have the honour to state that as per the present strength there are in all 146 Salustries and 99 Veterinary Compounders in the cadre.

I have examined the cases of Salustries and Compounders who have to be fixed into the new grades, with special reference to their length of service and stagnation on their present pay and the details are furnished below :-

	Service below 10 years.	10 years and above & up to 20.	20 years and above.	Total.
No. of Salustries	29	65	52	146
" Compounders including 36 vacant posts.	58	41	-	99

Stagnation in Pay.

	Pay.	Years.	No. of Salustries.
Rs.	35/-	12	10
	30	13	3
	25	8 to 12 years	12
	20	10 to 20 years	92
	20	1 to 10 years	29
			146
Compounders:			
	15/-	10 to 20 years	41
		Below 10 years	58
			99

To afford relief in the rank and file to the cases of stagnation, I propose that the number as shown below may be allocatted in the respective grades :

1. 40 Salustries .. 30-2-40
2. 50 " 25-1-30
3. 56 " 20-1-25

1. 40 Compounders 20-1-25
2. 59 " 15-1-20

(vi) published in the Gazette, Kannada Part ?

The question of uniforming their scales of pay has therefore been engaging the attention of Govt for some time past.

In October 1945, the Supd VA H Services submitted proposals in this connection. These proposals were examined by Govt and it was directed that the grades of the Salustris and Compounders be revised as noted in the margin, the number in each grade being fixed after taking into consideration the number of men stagnating on the same pay deserving of promotion to the higher grade. The Supd VA H Services was requested to submit proposals in conforming with this decision along with a proposition statement duly verified by the Comptroller. The Supd VA H Services has after examining in detail the cases of the Salustris and Compounders

G. O. No. A. F. 2840-41—A. H. 93-43-4, dated 13th November 1946.

Salustries and Compounders.

Sanctions the revision of the grades of —— of the Veterinary Department.

READ—

Correspondence ending with letter No. Est. 283—15-46, dated 18th January 1946, from the Superintendent, Veterinary and Animal Husbandry Services, forwarding through the Comptroller to Government proposals for the revision of the grades of Salustries and Compounders of the Veterinary Department.

ORDER No. A. F. 2840-41—A. H. 93-43-4, DATED BANGALORE, THE 13TH NOVEMBER 1946.

The present grades of the Salustries and Compounders of the Veterinary Department were sanctioned nearly two decades ago and the prospects of these lower subordinates have not been improved since then. The question of improving their scales of pay has, therefore, been engaging the attention of Government for some time past.

2. The Superintendent, Veterinary and Animal Husbandry Services, has, after examining in detail the cases of the Salustries and Compounders whose grades have to be revised, submitted certain proposals, for the sanction of Government, along with a proposition statement verified by the Comptroller to Government. The present strength of 146 Salustries and 99 Compounders is proposed to be allocated as follows:—

Salustries	...	40 on Rs. 30—2—40
"	...	50 on " 25—1—30
"	...	56 on " 20—1—25
Compounders	...	40 on Rs. 20—1—25
"	...	59 on " 15—1—20

3. These proposals involve an extra cost of Rs. 20,086 2/3 per annum under permanent establishment against a reduction of Rs. 4,560 per annum under temporary establishment.

4. After a careful consideration of the question, Government are pleased to sanction the proposals of the Superintendent, Veterinary and Animal Husbandry Services, with the modification that the two grades of Compounders be fixed at 33 in the first grade and 66 in the second grade. The proposition statement showing the existing scales of pay and the scales as sanctioned by Government is appended to this order.

MOHAMED ISMAIL SHERIFF,
Secretary to Government,
General Department.

To—The Superintendent, Veterinary and Animal Husbandry Services in Mysore, Bangalore.
The Comptroller to Government through the Financial Department.
